

Vinyl banner size checklist

Measure the spot. Quote only chips the form sells.

FREE GROUND SHIPPING

- Measure the fence, stage, or wall before you pick a size.
- Open /print/signs/vinyl-banners/ and read the packed total.
- Grommets and hems only if that chip is on the form.
- Notes do not add poles, welds, or hardware.
- Export PDF Print at the finished inches. No social squares.
- Keep type inside the hem so the phone number survives.
- Yard signs are a different form. Flyers are a different form.
- Ground FREE ships the banner to you. Air prices from the ZIP.
